PROFESSIONAL SUMMARY

With a background in both housekeeping and caregiving, I possess a unique combination of skills and experiences that enable me to create and maintain comfortable, safe, and well-organized living environments while providing compassionate care to those in need. My experience in housekeeping has honed my ability to efficiently manage cleaning tasks, maintain order, and ensure a high level of cleanliness. In caregiving, I have developed empathy, communication skills, and adaptability to meet the individual needs of clients. My background has prepared me to excel in roles that require a balance of domestic upkeep and attentive care, positively impacting the lives of those I serve.
