Passionate and knowledgeable healthcare professional with 2 years of nursing. I am skilled at working in a variety of ward settings such as the Medical-Surgical, ER, ICU and Operation Theatre nursing experience.

Willing to relocate: Anywhere

## Work Experience

---

### **Registered Nurse**

TODAH Hospital, Obuasi - Asonkore - Obuasi

April 2022 to Present

Todah Hospital is a government health facility with about 100beds capacity. The hospital provide curative and prevention medical services in various departments like the medical-surgical unit, emergency unit, obstetrics and gynecology unit, and psychiatric unit

I work in the Theatre unit. General Surgical Procedures(Major) such as Hernioraphy, Appendectomy, Exploratory Laparotomy among others and gynecological Surgical Procedures(Major) such as Caesarian Section, Myomectomy, Hysterectomy, Evacuation of the Uterus, Cervical Cerclage among others, and Minor cases such as Suturing, Dressing under anesthesia, examination under anesthesia among others are been done there. Work volume is moderate.

### **Registered Nurse**

KNUST Hospital - Kumasi

April 2020 to April 2022

KNUST Hospital Website: [hospital@knust.edu.gh](http://hospital@knust.edu.gh).KNUST, PMB, Kumasi-Ghana Telephone: +233 3220 60320.

This is a quasi Hospital with 200bed capacity. The hospital provide curative and prevention medical services in various departments like the medical-surgical unit, emergency unit, Maternity Ward, Operating Room, ICU, CCU, HDU, Stroke Unit and OPD

I worked at the Operation Theatre for a span of 5 months. Majority of both General and Specialty surgical procedures are beend done there, which includes; Orthopedic surgeries, ENT surgeries, Dental surgeries, and Gynecological surgeries. Work volume is moderate.
