### EXPERIENCE

#### Medanta, Gurgaon, India — Registered Nurse

May 2020 - July 2023

Provided holistic care to critically ill patients in a 22-bed ICU, including post-liver transplant and ventilated patients.

Administered IV medications, managed CRRT and ventilators, and conducted neurological assessments.

Collaborated with multidisciplinary teams, updated care plans, and mentored junior nurses.

Ensured accurate documentation, maintained patient safety protocols, and educated families.

#### Himalayan Hospital, Dehradun, India — Registered Nurse

October 2019 - March 2020

Independently managed acute and post-operative patients, monitored vitals, and provided daily hygienic care.

Assisted with intubations, central line insertions, and blood transfusions.

Applied strong prioritization and assessment skills in high-pressure situations.

### EDUCATION

#### Northern College, Scarborough — Post Graduate Diploma

September 2023 - December 2024
